

IS IT IN MY BUDGET ACTIVITY

For this activity imagine you are out for breakfast and you have a budget of 20 dollars. You will be given different combinations of certain breakfast food and drink items, whose prices are listed below. For each combination you will have to determine whether or not you could afford it. Put a check mark beside the combinations you can afford while staying within your budget and put an X beside the ones you would not be able to afford.

ITEM LIST:

1 EGG \$1	1 WAFFLE \$5
